Branding Munki & Munki Report

GROVE

Branding

Why is it so important?

GROVE

Traits of positive brands

GROVE

Traits of positive brands

- Building trust via a brand

GROVE

Traits of positive brands

- Building trust via a brand
- Claims of safety, security & stability

GROVE

Traits of positive brands

- Building trust via a brand
- Claims of safety, security & stability
- Emotional comfort

GROVE

Traits of positive brands

- Building trust via a brand
- Claims of safety, security & stability
- Emotional comfort
- Brands portray confidence

GROVE

Traits of positive brands

- Building trust via a brand
- Claims of safety, security & stability
- Emotional comfort
- Brands portray confidence
- Brands eliminate fear

GROVE

Traits of positive brands

- Building trust via a brand
- Claims of safety, security & stability
- Emotional comfort
- Brands portray confidence
- Brands eliminate fear
- Personify core values

GROVE

Traits of positive brands

- Building trust via a brand
- Claims of safety, security & stability
- Emotional comfort
- Brands portray confidence
- Brands eliminate fear
- Personify core values
- Reinforces positive behaviors

GROVE

Traits of positive brands

- Building trust via a brand
- Claims of safety, security & stability
- Emotional comfort
- Brands portray confidence
- Brands eliminate fear
- Personify core values
- Reinforces positive behaviors
- Establishes an expectation of quality

GROVE

Trust me

“ Engaging the end user rather than hiding things from them is the best method in garnering overall user acceptance and trust.

Munki Report

What can you actually customize?

GROVE

Add Logo

```
1
2  /* Add custom CSS here */
3  @import url('https://fonts.googleapis.com/css?family=Poppins:400,600');
4  @import url('https://grovetech.co/assets/fonts/grovetech.eot?q5l9sv');
5  @import url('https://grovetech.co/assets/fonts/grovetech.eot?q5l9sv#iefi');
6  @import url('https://grovetech.co/assets/fonts/grovetech.ttf?q5l9sv');
7  @import url('https://grovetech.co/assets/fonts/grovetech.woff?q5l9sv');
8  @import url('https://grovetech.co/assets/fonts/grovetech.svg?q5l9sv#grovetech');
9  @import url('https://fonts.googleapis.com/css?family=Poppins&display=swap');
10
11 @font-face {
12   font-family: 'grovetech';
13   src:  url('https://grovetech.co/assets/fonts/grovetech.eot?q5l9sv');
14   src:  url('https://grovetech.co/assets/fonts/grovetech.eot?q5l9sv#iefix') format('embedded-opentype'),
15     url('https://grovetech.co/assets/fonts/grovetech.ttf?q5l9sv') format('truetype'),
16     url('https://grovetech.co/assets/fonts/grovetech.woff?q5l9sv') format('woff'),
17     url('https://grovetech.co/assets/fonts/grovetech.svg?q5l9sv#grovetech') format('svg');
18   font-weight: normal;
```
